CANDIDATES

Advocating the best interests

should remember that while its editor may have peculiar views, that the Free Press is a newspaper of general circulation all over the county among all parties; that its columns are open to any candidate or his friends, at the same manner and rates as to any merchant, 5 cents a line and 2 cents for each extra paper ordered sent out, and the election law allows a candidate such a literary campaign. It is the easiest and quickest way to let the voters see why a candidate is worthy and desirous of support

All communications must be in by a Thursday noon to get in that week, 7 words average a line, 5 cents a line, cash when the article is sent in. Such campaign argument is better, easier and cheaper than cigars, drink or riding around the county days and nights,
